III. The procedure of calculating revenue

The calculation of revenue will be carried out directly through the Invest.hahalolo.com (Global capital investment management system) as follows:

Step 1: Developers complete updating investor information on the customer and investment management system. When entering it, they should notice the following content:

- Enter information about shares and applicable policies:

Enter Hahalolo's currently applicable policies.

In case a new policy which is different from the currently applicable policies is applied to the Investor, Developers enter information in accordance with the current policies and must also inform Hahalolo of the specific content of the policies and commission rates in this case. Hahalolo shall appropriately adjust information about shares and the applicable policies.

- Enter Investor information:

+ Personal identification number, Date of issue and Place of issue which are updated according to the Investor's personal identification documents.

+ Address information: This is the Investor's current address. The address matches the updated address on the Share Certificate, so it must be accurate.

- Enter information about email and phone number:

It is necessary to exactly enter information about the Investor's email address and phone number in order to ensure the information saving and connection with the Investor in case of need.

- Upload personal identification documents:

Developers must attach Investor's personal identification documents and enter Investor information on Invest.hahalolo.com at the same time.

Step 2: After the registration procedure for purchasing shares is complete, Hahalolo shall confirm the investment that is "Payment complete", and after 24 hours from the time of investment confirmation of "Payment complete", the income will be displayed on the internal account of the Developer on Invest.hahalolo.com.

Step 3: Developers can make a commission payout request on Invest.hahalolo.com with the available balance in their internal account, and complete the transaction within 17 working days.

The service fee "The transfer fee" when a Developer makes a withdrawal is 5%. In case The Developer makes a withdrawal lower than 100\$, then Hahalolo will not make the payment of commission for The Developer.

Developers can register to buy Hahalolo shares with the available balance in their internal account on Invest.hahalolo.com through the Hahalolo Investment Registration Procedure on Invest.hahaholo.com.
